ESET PROVEN. TRUSTED.

We focus solely on IT security – and nothing else. We know that IT security is not solely about detection. It’s about the best combination of **detection, usability** (including consistent support), **speed – and delivering rapid return on investment**. As our test results and user testimonials show, ESET excels at all of these.

Detection

ESET received the "Advanced+" award in the AV-Comparatives Real-World Protection Test

ESET received the most "Advanced+" awards in Proactive Tests by AV-Comparatives

ESET has the longest unbroken run of VB100 awards for malware detection of any IT security vendor. We've been excelling at VB100 tests since 2003.

“The biggest thing that stands out is its strong technical advantage over other products in the marketplace. ESET offers us reliable security, meaning that I can work on any project at any time knowing our computers are protected 100%.”

FIONA GARLAND,
Business Analyst, Group IT,
Mercury Engineering

Usability & Support

ESET won Japan's Nikkei Computer Customer Satisfaction Survey 2015-2016 – conducted among more than 10,000 businesses – for offering the best business security products on the market.

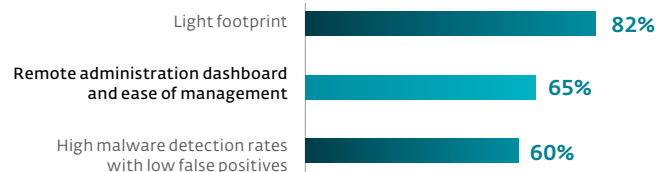

“As an IT I've been worry-free since the first time we used it and I'm still worry-free now. It has made my life as an IT much easier.”

THONY AVESTRUZ, JR.,
Senior Technical Support Engineer,
Honda Philippines, Inc.

“IT, project management? First class. Deployment? Brilliant. Users? They never even noticed a change in the environment. Technical resources? Fabulous. If you're considering a new solution or a change in your IT environment, I would certainly recommend looking at ESET.”

TONY COOKE,
IT Director, CCS Media Limited, UK

65% of customers switched to ESET because of "Remote administration dashboard and ease of management"

Speed

ESET is the leader in delivering the lowest system-resource consumption, according to testing authority AV-Comparatives.

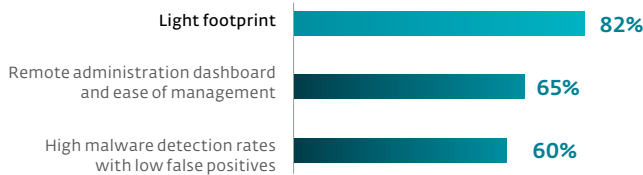

“ I thought it was normal that security software installed on PCs caused slowdowns. But ESET is very much different. It does its job in the background without us even noticing.

HIROKAZU MINOGUCHI,
Mitsubishi Motors IT Division
Expert

“ Since the installation of ESET, we've seen virtually no performance issues, and more CPU time is now available to applications and users on servers.

CHRISTIAN JANDL,
System Engineer at SPAR,
Austria
